

Redfall Steppes Primary School

Annual Report

2023 - 2024

Corissa Brackenridge
Year 5
Turtles

Teacher Comments

Corissa has displayed exceptional dedication to her studies throughout the year, actively engaging in class discussions and demonstrating enthusiasm for learning. She exhibits strong collaborative skills and approaches challenges with a growth mindset. Corissa's leadership qualities are evident in her contributions to the school community. Additionally, she excels in Physical Education, demonstrating excellent aptitude and participation in sports and physical activities. Corissa maintains positive relationships within her friendship groups, contributing to a supportive and inclusive social environment. Overall, she has had a successful year academically and personally, and I am confident in her continued success.

Head Teacher Comments

Congratulations, Corissa, on your outstanding report this year! Your dedication to your studies, leadership qualities, and aptitude in Physical Education are commendable. Keep up the excellent work!

Attainment Grade	Attainment Description	Effort Grade	Effort Description
WTS	Working towards the expected standard	3	Limited levels of effort
EXS	Working at the expected standard	2	Satisfactory levels of effort
GDS	Working at greater depth within the expected standard	1	Outstanding levels of effort

Reading	Attainment	Effort
	GDS	1
<p>Corissa has consistently demonstrated a profound enthusiasm for literature, engaging deeply with texts beyond her grade level. Her impressive comprehension skills and fluency have allowed her to tackle challenging material with confidence. Moreover, Corissa exhibits a genuine love for reading, often sharing her insights with peers and fostering a culture of literacy within the classroom. Her dedication to expanding her literary horizons sets a remarkable example for her classmates and underscores her status as a reading role model.</p>		
Targets <ul style="list-style-type: none"> <input type="checkbox"/> Read books that are structured in different ways <input type="checkbox"/> Identify how language, structure and presentation contribute to meaning 		

Writing	Attainment	Effort
	GDS	1
<p>Corissa consistently shows a remarkable command of language, crafting compositions that exhibit both creativity and sophistication. Her ability to express ideas with clarity and depth reflects a deep understanding of writing mechanics and storytelling techniques. Corissa's dedication to refining her writing skills is evident in her willingness to seek feedback and revise her work thoughtfully. Moreover, she showcases a genuine passion for storytelling, captivating her audience with imaginative narratives and persuasive arguments.</p>		
Targets <ul style="list-style-type: none"> <input type="checkbox"/> Choose the appropriate register (formal/informal) <input type="checkbox"/> Integrate dialogue to advance action and convey character 		

Mathematics	Attainment	Effort
	EXS	1
<p>Corissa demonstrates competence in mathematical concepts and shows a strong ability to tackle challenging problems. However, to further enhance her mathematical proficiency, Corissa should focus on accuracy, carefully checking her answers to ensure they align with the problem at hand. By prioritising precision and attentiveness in her calculations, Corissa will strengthen her mathematical skills and build a solid foundation for future learning.</p>		
Targets <ul style="list-style-type: none"> <input type="checkbox"/> Interpret information in tables, including timetables <input type="checkbox"/> Use the properties of rectangles to deduce related facts and find missing lengths and angles 		

Science	Attainment	Effort
	EXS	1
<p>Corissa has been committed to science education this year, particularly in her exploration of Earth and Space, as well as Forces. Corissa has shown dedication to her studies and has demonstrated competence in grasping scientific concepts. However, there are instances where Corissa could benefit from further development in understanding the scientific method. Encouraging Corissa to delve deeper into the process of inquiry and experimentation will enhance her scientific understanding and critical thinking skills. With continued guidance and practice, Corissa has the potential to excel in scientific inquiry and become a more proficient scientist.</p>		
Targets <ul style="list-style-type: none"> <input type="checkbox"/> Use test results to make predictions to set up further tests <input type="checkbox"/> Recognise and control variables where necessary 		

Curriculum Area	Attainment	Effort
Art and Design	EXS	1
Computing	EXS	1
Design and Technology	EXS	1
History	GDS	1
Geography	EXS	1
Languages	EXS	1
Music	EXS	1
PSHE	EXS	1
Physical Education	GDS	1
Religious Education	EXS	1

Pupil Comments

I'm super excited to talk about how my year went! Reading has been interesting as we've been reading lots of cool books and stories, my favourite was Percy Jackson and the Lightning Thief.

Writing was fun too. I tried really hard to make my stories better, and it's been good seeing them get better each time. Maths was okay, but I know I need to be more careful with my answers and that I need to check I have read the question carefully.

Science was really interesting this year. I liked learning about space and forces, but sometimes I got a bit confused with all the experiments. I'll work harder on understanding them better next time.

My favourite subject is PE because I like learning how to play lots of different sports, it was good to be part of the athletics competition.

Thanks for being such a great teacher and helping me learn.
